Design Process

Our expert designers are poised to turn your dreams into reality, transforming your concepts into stunning and functional spaces.

Initiate the journey towards your dream interior by visiting our exquisite showroom or giving us a call to schedule a free survey with one of our designers. They'll breathe life into your ideas through 3D visuals, aiding in the selection of colours, style, and layout. Our initial kitchen design service, encompassing layout options and a detailed quote, comes at no cost to you.

All we need from you is:

- Your address and contact details.
- Timeframe for your project and an idea of your budget.
- A dimensioned room plan, either in the form of architect plans or hand-drawn sketches. Alternatively, opt for a home visit where we can take measurements and discuss your project in more detail.

Your Journey

Crafting Bespoke Luxury in Six Tailored Steps.

We hold a consistent approach to every project we undertake, yet the outcome is totally unique to each client. We take the utmost care as we guide our clients through our bespoke approach to discovering and conceptualising the ultimate luxury kitchen or interior solution for them.

Our approach consists of six distinct steps, all of which work together to ensure a smooth transition as you venture through your journey with us. We are capable of designing your desired kitchen or entire house interiors, from the beginning concepts to the final touches - everything is designed to your specific wishes and desires. Your home, your way.

1. Meet

Embarking on our journey starts with a simple call. Connect with us by phone, email, or by completing the form on our website to discuss your needs and schedule your appointment

2. Design

Our design journey starts with a thoughtful design brief gathered by our designers, and shaped by your insights. At the essence of crafting bespoke interiors is a deep understanding, ensuring each room is delicately tailored to meet your unique needs.

3. Create

For the past three decades, Ideal has been dedicated to enhancing homes across Yorkshire, weaving together a tapestry of craftsmanship, design, and experience. This commitment ensures that each property is not only a visual delight but also a practical and functional haven.

4. Install

This phase is the heart of the process, where your dream takes shape. Ensuring a seamless installation with minimal disruption is crucial to us. We meticulously project manage every detail, ensuring every item arrives precisely and is installed effortlessly, harmonising with your envisioned design.

Deepdale Road

Our clients sought a modern, open-plan kitchen to harmonise with the distinctive features of their property, providing a space where they could comfortably spend most of their time. The sleek, contemporary J-pull handleless doors in gloss light grey, paired with the Silestone Stellar Night quartz stone worktops, seamlessly integrate with the rustic brick chimney and timber staircase, resulting in a bright, inviting, and practical space that they take pride in showcasing to friends and family.

In addition to the style choices, practical elements such as the Belfast sink, pull-out larder units, and a spacious American-style fridge freezer serve as excellent storage solutions, complementing the overall design by neatly concealing kitchen essentials.

Bathrooms

Melton View

Tasked with crafting a bathroom that not only stood out but also exuded timeless elegance, we embarked on a journey to create a truly special space. The design seamlessly blends high gloss graphite furniture, gloss marble-effect wall tiles, and natural slate feature walls to evoke a sense of luxury and sophistication.

Eager to fulfil the client's Wishlist, we integrated elements that would elevate the bathroom experience to new heights. A spacious whirlpool bath takes centre stage, providing ample room for indulgent bathing. The inclusion of a double his and hers sink adds a touch of luxury and practicality. Embracing the latest technological innovations, the bathroom boasts a recessed bathroom TV, a digital wall-hung WC, and integrated wall-mounted toothbrush chargers. In every detail, our goal was to create a bathroom that meets and exceeds our client's expectations, offering a harmonious blend of aesthetics and cutting-edge functionality.

Deepdale Road

Following the successful completion of their kitchen project, our clients at Deepdale Road invited us back to revamp their expansive bathroom. As they envisaged a thoroughly modern and contemporary ambiance, their desire was to seamlessly integrate a modern freestanding bath and a distinct walk-in shower area, crafting a space that offered both functionality and relaxation.

The introduction of grey-tone porcelain tiles played a pivotal role in establishing a sophisticated aesthetic, further elevated by the charcoal grey wall-hung basin furniture. The bathroom now features a double wall-hung sink with matching individual double mirrors, a wall-hung WC, and bespoke floating shelves with integrated LED lighting, creating a cohesive and visually appealing design that aligns perfectly with the clients' vision.

Bedrooms

Willow Road

Designing loft bedrooms is always a unique and challenging endeavour, and the master bedroom at Willow Road presented its own set of complexities. Despite the challenges, the homeowners, having experienced our expertise in a previous project, were eager to embark on a more creatively inspired journey, confident in our ability to meet their expectations.

To infuse vibrancy into the room, we selected the classic porcelain shaker door and complemented it with warm oak Karndean flooring, creating a timeless style and enduring elegance. The bed and headboard, featuring integrated reading lights, along with wardrobes tailored to fit the loft roof space, strike a perfect balance between practicality and design.

This project stands as a testament to our proficiency in transforming challenging spaces into havens of style and practicality, showcasing our commitment to delivering both form and function.

Media Walls

Park View

Returning clients from our successful kitchen project at Park View approached us with confidence, seeking our expertise to enhance their living room interior. This time, the focus was on creating a sleek and minimalist media wall that seamlessly integrated their 50" TV and sound bar while concealing all wires and accessories.

Building on their trust in our design capabilities, we chose a sophisticated dual-tone palette of matte light and mid-grey, complemented by distinctive Boston concrete features. This blend of tones not only provided a bespoke and elegant aesthetic but also contributed to the minimalist look the clients desired. To accentuate the overall design, we incorporated an LED feature light, adding a touch of contemporary flair to the media wall.

This project showcases our ability to adapt our design skills from kitchens to living spaces, demonstrating a consistent commitment to meeting our client's aesthetic and functional aspirations. The result is a media wall that not only aligns with the sleek and minimalist vision but also exudes a sense of sophistication, creating a harmonious and refined living room interior for our valued clients.
